Verification report for the test of the life cycle assessment 2022 with the declaration number LCA-VE-AA-122 for extrusion profiles of the company Vimetco Extrusion.

I hereby confirm the successful testing of the LCA 2022 with the declaration number LCA-VE-AA-122 for extrusion profiles of the company Vimetco Extrusion.

The validation is based on the following documents:

- Report "Life Cycle Assessment Report according to DIN EN ISO 14040 and DIN EN ISO 14044"

It is confirmed that the study is scientifically proven and essentially correct. The provision of the accuracy of the data lies with the owner.

The responsibility for the factual accuracy of the information lies with the owner.

All results and findings of the test can be read in the test protocol.

This report and the annexes have been prepared with due regard for confidentiality. The "Everyone" report shall be made available on request.

Ravensburg, 05/03/2022, Patrick Wortner
