This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 15088:2005

under system 2+ are applied and that
the factory production control fulfills all the prescribed requirements set out above.

This certificate was first issued on 2011-06-10 and is revised herewith. It will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly, lasted until 2018-10-21.
